

# AFT + Member Benefits

As an AFT member, you belong to a community of colleagues. We understand the power of joining together—in our work, in our communities and in the marketplace. At the AFT, we have our own marketplace—AFT + Member Benefits—which combines the purchasing power of the AFT’s 1.7 million members with the benefit offerings of Union Plus, the AFL-CIO’s benefit arm. This gives you a rich array of discounts, services and benefits that go beyond the workplace. Many of these programs are available to family members, too.

Are you worried about your student loans? Do you need to equip your home office? Looking for a competitive mortgage rate? Want a choice of no-fee credit cards? A great wireless plan? Do you yearn to travel? We have hotel discounts, rental car savings, guided tours and even flight discounts.

Whether for everyday necessities or splurges, check the AFT + benefits offerings.

Get introduced to Summer, the AFT's free member benefit for student debt management. Summer is a trusted online platform that can help you sum up, simplify and navigate your student loan situation. Summer specializes in enrolling borrowers in income-driven repayment plans and keeping them on track for Public Service Loan Forgiveness and other federal, state and private loan assistance programs to minimize the stress and burden of student loan debt. Some student loan borrowers have had to make payments during the COVID-19 pandemic, even when paychecks might not be coming in, but others have benefited from a federal "payment pause."
